An OPEN and SHUT Case for Plant Mezzanine Safety

MEZZANINE SAFETI-GATES, INC. PRESIDENT NAMED CHAIR OF MHI'S PROTECTIVE GUARDING MANUFACTURERS ASSOCIATION

Company Nets Various Industry Awards Throughout 2019

November 14, 2019 - Essex, MA -- Mezzanine Safeti-Gates, Inc., an innovator in the design and manufacturing of industrial safety gates for warehouses, distribution centers and manufacturing facilities, announces that its President Aaron Conway, was named Chair of the MHI Protective Guarding Manufacturers Association (ProGMA) at the MHI Annual Conference in October. The appointment caps off an award-winning year for Mezzanine Safeti-Gates, which brought home three awards over the year.

The ProGMA is one of the Industry Groups within MHI with members that supply fixed protective guarding products designed to protect personnel, equipment and inventory in industrial facilities. The group promotes protective barrier and guarding solutions through industry standards and best practices. Chairs and Vice-Chairs are elected during the group's annual membership meeting.

"It's an honor to have served as Vice Chair of the ProGMA for the last two years, and to have industry peers elect me as Chair at the annual meeting," said Aaron Conway, president of Mezzanine Safeti-Gates, Inc. "Our group is very diverse, offering protective barriers and safety solutions for the entire facility, from the floor to the upper level. I'm looking forward to working with my peers to further promote protective guarding and the many benefits the equipment offers within a facility."

Earlier in the year, Mezzanine Safeti-Gates was named a 2019 Top 10 Industrial Safety Solutions Provider by *Manufacturing Technology Insights* and a 2019 Rock Star of the Supply Chain Champion by *Food Logistics*. Aaron Conway was also named a 2019 Pro to Know by *Supply & Demand Chain Executive*.
